ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 59

[AD-FRL-5545-4]

Notice of Meeting for the Proposed National Volatile Organic Compounds Emission Standards for Architectural Coatings

AGENCY: U.S. Environmental Protection Agency (EPA).

ACTION: Notice of meeting.

SUMMARY: The EPA is holding a public meeting to discuss the proposed national volatile organic compounds emission standards for architectural coatings. This meeting is being conducted to provide an opportunity for the EPA to continue dialogue with the architectural coatings industry and obtain additional input on the potential impacts of the proposed rule. The intent is to discuss the proposed rule with particular emphasis on the potential economic and technological impacts to small businesses.

DATES: A public meeting will be held on August 13, 1996, beginning at 10:00 a.m.

ADDRESSES: The public meeting will be held at the Westin Hotel O'Hare, 6100 N. River Road, Rosemont, IL.

FOR FURTHER INFORMATION CONTACT: Ms. Ellen Ducey, Coatings and Consumer Products Group (MD-13), U.S. Environmental Protection Agency, Research Triangle Park, North Carolina 27711, phone number (919) 541-5408.

SUPPLEMENTARY INFORMATION: On June 25, 1996, the EPA proposed the national volatile organic compounds emission standards for architectural coatings and a notice of public hearing for that proposed rule (61 FR 32729). The EPA would like to provide a further opportunity to engage in dialogue with architectural coating manufacturers, particularly with regard to economic and technological impacts of the proposed rule on small manufacturers. Therefore, the EPA is holding a public meeting to discuss the proposed national volatile organic compounds emission standards for architectural

coatings and answer any questions concerning the proposed rule.

Docket. Docket No. A-92-18, containing supporting information for the proposed national volatile organic compounds emission standards for architectural coatings, is available for public inspection and copying between 8:00 a.m. and 4:00 p.m., Monday through Friday, except for Federal holidays, at the following address: U.S. Environmental Protection Agency, Air and Radiation Docket and Information Center (6102), 401 M Street SW, Washington, DC 20460; telephone: (202) 260-7548. The docket is located at the above address in Room M-1500, Waterside Mall (ground floor). A reasonable fee may be charged for copying. A copy of the proposed rule and the Background Information Document (BID) is also available on the *Technology Transfer Network (TTN)*. The TTN is one of the EPA's electronic bulletin boards and provides information and technology exchange in various areas of air pollution control. The service is free except for the cost of a phone call. Dial (919) 541-5472 for up to a 14,400 bits-per-second (bps) modem. The TTN is also accessible through the Internet at "Telnet ttbnbs.rtpnc.epa.gov." If more information on the TTN is needed, call the help desk at (919) 541-5384. The help desk is staffed from 11:00 a.m. to 5:00 p.m., Eastern time. The help desk utilizes a voice menu system at other times.

Dated: July 25, 1996.

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Parts 32 and 64

[CC Docket No. 96-150, FCC 96-309]

Implementation of the Telecommunications Act of 1996: Accounting Safeguards Under the Telecommunications Act of 1996

AGENCY: Federal Communications Commission.

ACTION: Proposed rule.

SUMMARY: The Commission is issuing this Notice of Proposed Rulemaking which seeks comment on proposed measures to satisfy the accounting safeguards requirements, including those for affiliate transactions, of

Sections 260 and 271 through 276 of the Telecommunications Act of 1996 ("1996 Act"). These sections outline the conditions under which incumbent local exchange carriers may offer telemessaging and alarm monitoring services and under which the Bell Operating Companies ("BOCs") may manufacture and sell telecommunications equipment, manufacture customer premises equipment, offer interLATA telecommunications, information, electronic publishing and payphone services. Sections 271 through 274 and 276 of the 1996 Act generally prohibit the BOCs from subsidizing services permitted under those sections with revenues from regulated telecommunications services. Sections 260 and 275 generally prohibit incumbent local exchange carriers, including the BOCs, from subsidizing their telemessaging and alarm monitoring services with revenues from regulated telecommunications services. This action was intended to implement the accounting safeguards provision of the 1996 Act.
