

by EEO counselors in all instances except for three which were processed through the Federal Mediation and Conciliation Service. The cost and time savings were significant with the avoidance of expenditures in connection with EEO investigations, hearings, transcripts, and staff time.

The program Department-wide thus far has focused on EEO and related personnel matters. Only MMS, among the bureaus, has concentrated on resolving conflicts with outside groups. The interim policy signed by the Secretary in June 1994, upon which the final policy is based, made clear that the program is to be broader based. The IDRC will continue to encourage other bureaus to adopt the MMS model for resolving conflicts with constituents, customers and outside groups.
