

Parties to the proceeding may request disclosure within five days of the date of publication of this notice. Any interested party may request a hearing within 10 days of publication. Any hearing, if requested, will be held approximately 44 days after the publication of this notice. Interested parties may submit written comments (case briefs) within 30 days of the date of publication of this notice. Rebuttal comments (rebuttal briefs), which must be limited to issues raised in the case briefs, may be filed not later than 37 days after the date of publication. The Department will publish a notice of final results of this administrative review, including the results of its analysis of issues raised in any such written comments, within 180 days of publication of these preliminary results.

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between USP and NV may vary from the percentages stated above. The Department will issue appraisal instructions directly to the Customs Service.

Furthermore, the following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) for the companies named above that have separate rates and were reviewed (Premier, Guizhou Machinery, Luoyang, Shanghai, Jilin, Wafangdian, Liaoning, CMC, Guizhou Automotive, Tianshui, Zhejiang, Xiangfan, East Sea), the cash deposit rates will be the rates for these firms established in the final results of this review; (2) for Shandong and Wanxiang, which we preliminarily determine to be entitled to a separate rate, the rate will continue be that which currently applies to this company unless modified by a more recent PRC rate (e.g., from the concurrent 90-91, 91-92, or 92-93 reviews); (3) for all remaining PRC exporters, all of which were found to not be entitled to separate rates, the cash deposit will be 129.97 percent; and (4) for other non-PRC exporters of subject merchandise from the PRC, the cash deposit rate will be the rate applicable to the PRC supplier of that exporter. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of

their responsibility under 19 C.F.R. 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 C.F.R. 353.22.

**Uranium From Kazakhstan, Kyrgyzstan, the Russian Federation, and Uzbekistan; Termination of Administrative Reviews of Suspension Agreements**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of termination of suspension agreements administrative reviews.

**SUMMARY:** On November 16, 1995, the Department of Commerce (the Department) initiated administrative reviews of the suspension agreements on uranium from Kazakhstan, Kyrgyzstan, the Russian Federation, and Uzbekistan. The review period was October 1, 1994, through September 30, 1995. We are now terminating these reviews.

**EFFECTIVE DATE:** August 5, 1996.

**FOR FURTHER INFORMATION CONTACT:** James Doyle or Alexander Braier, Office of Antidumping Countervailing Duty Enforcement—Group III, Room 7866, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0172 or (202) 482-1324, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On October 31, 1995, the Ad Hoc Committee of Domestic Uranium Producers (the Ad Hoc Committee) and the Oil, Chemical and Atomic Workers International Union (OCAW), petitioners in the above-referenced

investigations and interested parties in these proceedings, requested that the Department conduct administrative reviews of the above-referenced suspension agreements for the period from October 1, 1994, through September 30, 1995.

On November 16, 1995, the Department published in the Federal Register (60 FR 57573) a notice of initiation for these administrative reviews for the period from October 1, 1994, through September 30, 1995.

On July 23, 1996, the Ad Hoc Committee withdrew its request for a review and requested that the review be terminated. The Ad Hoc Committee request to terminate the review indicates that it consulted with current counsel for the OCAW who indicated that the OCAW consents to the withdrawal of these administrative review requests.

The Department's regulations at 19 CFR 353.22(a)(5) (1995) state that "the Secretary may permit a party that requests a review under paragraph (a) of this section to withdraw the request no later than 90 days after the date of publication of notice of initiation of the requested review. The Secretary may extend this time limit if the Secretary decides that it is reasonable to do so." Although the withdrawal of the request for review was made later than 90 days after the publication of the notice of initiation, the Secretary has decided that it is reasonable to do so due to resolution of major outstanding issues, recent amendments and continuing consultations under the suspension agreements. Because there were no requests for review from other interested parties, we are terminating these reviews.

This notice serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning disposition of proprietary information disclosed under APO in accordance with section 353.34(d) of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is in accordance with section 353.22(a)(5) of the Department's regulations (19 CFR 353.22(a)(5)).

Dated: July 29, 1996.
