SUPPLEMENTARY INFORMATION: On April 3, 1996 the Commission submitted the following collection to OMB for review and approval. The Commission inadvertently did not publish the Federal Register Notice request comments upon submission of this collection. Therefore we are requesting comments.

OMB Approval Number: 3060-0641
 Title: Amendment to Parts 2 and 90 of the Commission's Rules to provide for the use of 200 Channels outside of the Designated Filing Areas in the 896-901 MHz Bands Allotted to the Specialized Mobile Radio Pool, 2nd Order on Reconsideration & 7th R&O for

the 900 MHz Specialized Mobile Radio Service.

Form No: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Individuals or households; Business or other for-profit.

Estimated Time Per Response: The Commission estimates the following: 4 hours per respondent to prepare ownership and gross revenue information for small business; 30 minutes per respondent to disclose the terms of joint bidding agreements and maintaining files on transfer of disclosure information; and 2 hours per respondent to provide information to show compliance with coverage requirements. Additionally, the Commission estimates approximately 75% of the respondents may hire a contractor to prepare the information. The time estimated for obtaining these services is 30 minutes per respondent for each requirement.

Total Annual Burden: 1,139 hours.

Costs to the Respondents: The Commission estimates an average salary for a contractor of \$200 an hour. The cost for hiring these contractors is approximately \$284,251.

Needs and Uses: The information will be used by the Commission to determine whether the applicant is legally, technically and financially qualified to be a licensee. Without such information the Commission could not determine whether to issue the licenses to the applicants that provides telecommunications services to the public and therefore fulfill its statutory responsibilities in accordance with the Communications Act of 1934, as amended. The information will also be used to ensure the market integrity of the auction. This collection has been revised to include the burden for any licenses that may be re-auctioned.
