

diminishing the rule's purpose of preventing abuses and fraudulent activity of the Exchange's exercise memorandum and advice procedures.

The Commission finds good cause to approve Amendment No. 1 to the proposed rule change prior to the thirtieth day after the date of publication of notice to filing thereof in the Federal Register. Specifically, because Amendment No. 1 is non-substantive in nature and therefore raises no new regulatory issues, the Commission believes that it is consistent with Section 6(b)(5) of the Act to approve Amendment No. 1 to the proposal on an accelerated basis.

Interested persons are invited to submit written data, views, and arguments concerning Amendment No. 1 to the rule proposal. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying at the Commission's Public Reference Section, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of such filing also will be available for inspection and copying at the principal office of the Phlx. All submissions should refer to File No. SR-Phlx-96-21 and should be submitted by August 27, 1996.

IV. Conclusion

For the foregoing reasons, the Commission finds that the Phlx's proposal to require the submission of an index option exercise advice form for all non-expiration exercises, is consistent with the requirements of the Act and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹² that the proposed rule change (SR-Phlx-96-21), including Amendment No. 1, is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³
