

approving the proposed rule change prior to the thirtieth day after the date of publication of notice of the filing. The Commission finds good cause for so approving the proposed rule change because accelerated approval will permit PTC participants to have the opportunity to obtain same-day value for prefunding payments no longer necessary to support transaction processing at PTC. This should be extremely beneficial in a same-day funds environment. Furthermore, the Commission has not received any comment letters and does not expect to receive any comment letters on the proposal.

III. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular Section 17A of the Act and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR-PTC-96-03) be and hereby is approved.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.⁷

Jonathan G. Katz,

Secretary.
