

inquiries to the Superintendent, U.S. Military Academy, West Point, NY 10996-5000.

Individual should provide the full name, Social Security Number, and signature.

#### CONTESTING RECORD PROCEDURES:

The Army's rules for accessing records, and for contesting contents and appealing initial agency determinations are contained in Army Regulation 340-21; 32 CFR part 505; or may be obtained from the system manager.

#### RECORD SOURCE CATEGORIES:

From the individual, his/her sponsors, peer evaluations, grades and reports of U.S. Military Academy academic and physical education department heads, transcripts from other educational institutions, medical examination/assessments, supervisory counseling/performance reports.

#### EXEMPTIONS CLAIMED FOR THE SYSTEM:

Parts of this system may be exempt under 5 U.S.C. 552a(k)(5) or (k)(7), as applicable.

An exemption rule for this record system has been promulgated in accordance with the requirements of 5 U.S.C. 553(b)(1), (2), and (3), (c) and (e) and published in 32 CFR part 505. For additional information contact the system manager.

### Department of the Navy

#### Notice of Public Hearing for the Draft Environmental Impact Statement for Capital Improvements at Naval Surface Warfare Center (NSWC) Acoustic Research Detachment (ARD) Bayview, ID

**SUMMARY:** Pursuant to Section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969 as implemented by the Council on Environmental Quality regulations (40 CFR Parts 1500-1508), the Department of the Navy has prepared and filed with the U.S. Environmental Protection Agency a Draft Environmental Impact Statement (DEIS) for proposed capital improvements at NSWC Carderock Division, ARD Bayview, Idaho. The DEIS has been distributed to various federal, state and local agencies, elected officials, special interest groups, and the public. A Notice of Availability of the DEIS was published in the Federal Register on August 9, 1996. It also is on file and available for review at the following locations: (1) Bayview Community Center, 16304 Perimeter

Road, Bayview, ID; (2) Kootenai County Public Library, 3835 N. Government Way, Hayden Lake, ID; 30399 Third Street, Athol, Id; 1652 Highway 41, Rathdrum, ID; 217 N. Fifth Street, Spirit Lake, ID; (3) East Bonner County Library, 419 N. Second Avenue, Sandpoint, ID; and (4) Coeur d'Alene Public Library, 201 E. Harrison Avenue, Coeur d'Alene, ID..

The Navy proposes to implement a capital improvement plan at NSWC, ARD Bayview, Idaho. Currently, functions and facilities are scattered among dispersed facilities causing inefficiency in operations. Planning for future operations at ARD has identified a need to consolidate these dispersed facilities and functions, bringing together related functions for an increased operations efficiency. This DEIS addresses two alternative plans, each composed of capital improvement projects designed to increase operational efficiency at ARD. The DEIS focuses on the environmental impacts anticipated from the construction and operation of two major capital improvement projects. The DEIS also addresses ARD operations supported by these facilities, including acoustic experimentation in Lake Pend Oreille. Anticipated environmental impacts of these projects and other, associated capital improvements are presented in a comparative analysis. The proposed action may result in temporary, construction-related impacts such as increased turbidity near construction sites, construction noise and construction traffic. Long term impacts would include increased stormwater runoff, redistribution of sediment deposition in Lake Pend Oreille nearshore areas not affecting Kokanee salmon spawning habitat, minor visual obstruction of the lake from some viewpoints, and changes in land use through acquisition of a private-family residence and Bayview Public Park. Specific mitigation measures are provided which will either avoid, or reduce impacts. The two alternative improvement plans differ in level of water quality impacts and view impacts. The No Action Alternative would result in continuing operations at ARD and using the existing facilities without change.

**ADDRESSES:** The Navy will conduct a public hearing on Thursday, September 5, 1996, beginning at 7:00 p.m. at Bayview Community Center, 16304 Perimeter Road, Bayview, Idaho, to inform the public of the DEIS findings and to solicit comments. Federal, state and local agencies, and interested parties are invited to be present or

represented at the hearing. Oral comments will be heard and transcribed by a stenographer. To assure accuracy of the record, all comments should be submitted in writing. All comments, both oral and written, will become part of the public record in the study. In the interest of available time, each speaker will be asked to limit oral comments to five minutes. Longer comments should be summarized at the public hearing and submitted in writing either at the hearing or mailed to the address listed below. Written comments must be received by Monday, September 23, 1996, to become part of the official record.

#### FOR FURTHER INFORMATION CONTACT:

Mr. Peter W. Havens (Code 232PH), Engineering Field Activity Northwest, Naval Facilities Engineering Command, 19917 Seventh Avenue NE, Poulsbo, Washington 98370-7570, email address: envplan@efanw.navfac.navy.mil, telephone (360) 396-0916.

Dated: August 6, 1996.

M.A. Waters,

*LCDR, JAGC, USN, Federal Register Liaison Officer.*

### DEPARTMENT OF ENERGY

#### National Environmental Policy Act Record of Decision for the Disposal of Decommissioned, Defueled Cruiser, Ohio Class, and Los Angeles Class Naval Reactor Plants

**SUMMARY:** This Record of Decision has been prepared on the proposed disposal of defueled reactor plants from U.S. Navy nuclear-powered cruisers, OHIO Class submarines and LOS ANGELES Class submarines, pursuant to the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.] and in accordance with the Council on Environmental Quality Regulations for Implementing the Procedural Provisions of the National Environmental Policy Act (40 CFR Parts 1500-1508). The Navy, with the concurrence of the Department of Energy, has decided to dispose of these reactor plants by land burial of the entire reactor compartment at the Department of Energy Low-Level Waste Burial Grounds at Hanford, Washington. The Department of Energy participated as a cooperating agency in the development of the Environmental Impact Statement on this federal action and has adopted the Environmental Impact Statement.

**ADDRESSES:** Requests for further information should be directed to either
