

profit enterprises, and government entities with jurisdiction over populations of less than 50,000.

As discussed in section IV. of this notice, attainment date extensions under section 186(a)(4) of the CAA do not create any new requirements. Therefore, I certify that today's proposed action does not have a significant impact on small entities.

#### VI. Unfunded Mandates

Under sections 202, 203 and 205 of the Unfunded Mandates Reform Act of 1995 (Unfunded Mandates Act), signed into law on March 22, 1995, EPA must assess whether various actions undertaken in association with proposed or final regulations include a Federal mandate that may result in estimated costs of \$100 million or more to the private sector, or to State, local or tribal governments in the aggregate. EPA believes, as discussed above, that the proposed finding that Clark County nonattainment area meets the criteria in section 186(a)(4) and thereby qualifies for an attainment date extension is a factual determination based upon air quality considerations and must occur by operation of law and, hence, does not impose any Federal intergovernmental mandate, as defined in section 101 of the Unfunded Mandates Act.

#### Reporting Requirements for Risk/Benefit Information; Reopening of Comment Period to Request Comments on Burden Estimates

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposal; reopening of comment period.

**SUMMARY:** Under section 6(a)(2) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), pesticide registrants are required to submit to the Agency information that they acquire which may be relevant to the balancing of the risks and benefits of their pesticide product(s). On September 24, 1992 (57 FR 44290), EPA issued a proposed rule which defined the specifics of this reporting requirement. After evaluating the comments received in response to that proposal, as well as several discussions with stakeholders, the Agency is now working to issue a final rule which clearly defines the reporting obligations of registrants under FIFRA section 6(a)(2). Before issuing this final rule, however, the Agency is reopening the rulemaking record to allow interested individuals to comment on the burdens that would be imposed by the rule in its current draft final form. In addition, the Agency is seeking comments on the revised burden estimates presented in the Information Collection Request (ICR)

related to the draft final rule. Although an ICR was prepared and made available as part of the proposed rule, and the comments received on that ICR have been considered in developing the final draft rule and ICR, the Agency has recently received several letters expressing concern about preliminary burden estimates which were prematurely made publicly available. In order to provide another opportunity for the regulated community to provide new comments or information related to the burden and cost estimates, the Agency has decided to reopen the rulemaking record for the narrow purpose of soliciting additional comment on the sole issue of the costs or burdens associated with the proposed rule and the draft final rule. After consideration of any comments received, the Agency will submit the revised ICR package to the Office of Management and Budget (OMB) for review and approval under the Paperwork Reduction Act (44 U.S.C. 3501 et seq.). EPA is soliciting comments on the specific aspects of the collection described below. This ICR, entitled: Submission of Unreasonable Adverse Effects Information Under FIFRA Section 6(a)(2) [EPA ICR No. 1204.04; OMB No. 2070-0039], will replace the existing ICR once EPA issues the final rule.

**DATES:** Comments must be submitted on or before September 11, 1996.

**ADDRESSES:** Submit written comments identified by the docket control number OPP-60010E and EPA ICR No. 1204.04 by mail to: Public Response Section, Field Operations Division (7506C), Office of Pesticide Programs, Environmental Protection Agency, 401 M St., SW., Washington, DC 20460. In person, bring comments directly to the OPP docket which is located in Rm. 1132 of Crystal Mall #2, 1921 Jefferson Davis Highway, Arlington, VA.

Comments and data may also be submitted electronically by sending electronic mail (e-mail) to: opp-docket@epamail.epa.gov.
