Winona Knitting Mills, Inc., Berwick Knitwear, Berwick, Pennsylvania; Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Revised Determination on Reconsideration concerning eligibility to apply for worker adjustment assistance on May 3, 1996, applicable to all workers of Winona Knitting Mills, Formerly Komar & Sons Berwick Knitwear, located in Berwick, Pennsylvania. The notice was published in the Federal Register on May 24, 1996 (FR 61 26222).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New findings show that the Department set the incorrect impact date for the worker certification. Other findings show that all workers of Komar & Sons were separated from employment on March 2, 1995, when the company closed its Berwick, Pennsylvania production facility. Those workers did not file a TAA petition, and should not be included in this worker group

certification. Winona Knitting Mills purchased the Berwick production facility from Komar & Sons on March 3, 1995, and on March 6, 1995 reopened the plant and hired some of the former Komar & Sons employees. Accordingly, the Department is amending the worker certification to exclude workers who were separated from Komar & Sons, and change the impact date from February 26, 1995, to March 6, 1995, the date the Winona Knitting Mills began their production operations in Berwick, Pennsylvania.

The intent of the Department's certification is to cover only those workers of Winona Knitting Mills adversely affected by increased imports.

The amended notice applicable to TA-W-32,025 is hereby issued as follows:

All workers of Winona Knitting Mills, Berwick Knitwear, Berwick, Pennsylvania, who became totally or partially separated from employment on or after March 6, 1995 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 30th day of July 1996.

Russell T. Kile,
Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

ACTION: Notice.

SUMMARY: The Department of Labor (DOL), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration is soliciting comments concerning the proposed extension of the process for requesting advances from the Federal Unemployment Account (FUA) and repayment of such advances under Title XII of the Social Security Act (SSA).
