National School Lunch Program, School Breakfast Program, Child and Adult Care Food Program and Summer Food Service Program for Children: Meat Alternates Used in the Child Nutrition Programs

AGENCY: Food and Consumer Service, USDA.

ACTION: Proposed rule; extension of comment period.

SUMMARY: This action extends the comment period on the "Meat Alternates Used in the Child Nutrition Programs" proposed rule, published in the Federal Register (61 FR 35152) on July 5, 1996, for 15 days. This extension will ensure greater public input which will aid the Department in refining the final rule.

DATES: Comments must be received by September 3, 1996.

ADDRESSES: Comments may be mailed to Robert M. Eadie, Chief, Policy and Program Development Branch, Child Nutrition Division, Food and Consumer Service, USDA, 3101 Park Center Drive, Alexandria, Virginia 22302.

FOR FURTHER INFORMATION CONTACT: Robert M. Eadie at the above address or at 703-305-2620.

SUPPLEMENTARY INFORMATION: On July 5, 1996, the Department published a proposed rule, "Meat Alternates Used in the Child Nutrition Programs" (61 FR 35152), to allow yogurt to be credited as a meat alternate for all meals served under the National School Lunch Program, School Breakfast Program, Summer Food Service Program and Child and Adult Care Food Program. The proposal responded to numerous recommendations for additional meat alternates and, in the interest of expediting the promulgation of a final rule, the Department initially set the

public comment period for 45 days, or until August 19, 1996. Concern has been expressed that the comment period is not long enough to allow for informed public comment. After careful consideration, the Department agrees that an extension of the comment period would best serve the public. Therefore, the Department is extending the official comment period for 15 days and will consider comments postmarked on or before September 3, 1996.

Dated: August 9, 1996.

Yvette S. Jackson,

Acting Administrator.
