## SUPPLEMENTARY INFORMATION:

### Overview

The Violent Crime Control and Law Enforcement Act of 1994 (Pub. L. 103-322) authorizes the Department of Justice to make grants to increase deployment of law enforcement officers devoted to community policing on the streets and rural routes in this nation. COPS MORE 96 is designed to expand the time available for community policing by current law enforcement officers, rather than fund the hiring or rehiring of additional law enforcement officers.

COPS MORE 96 permits eligible agencies to seek funding for the purchase of equipment and technology, and the procurement of support resources (including civilian personnel). As a result of this funding, the number of officers redeployed by agencies in community policing must be equal to or greater than the number of officers that would result from grants of the same amount for hiring new officers. Application Kits will be available after August 23, 1996. Completed Applications Kits must be received by the COPS Office between September 9 and October 31, 1996.

Applicants must provide a thorough explanation of how the proposed redeployment funds will actually result in the required increase in the number of officers deployed in community policing. Additionally, the applicant must specify within the COPS MORE 96 Application a plan for continuing the proposed activity following the conclusion of COPS MORE 96 funding. Technical assistance with the development of community policing plans will be provided to jurisdictions in need of such assistance. Grants will be made for up to 75 percent of the cost of the equipment, technology, or civilian salaries for one year, with the remainder to be paid by state or local funds. Waivers of the non-federal share will be considered upon a showing of severe fiscal distress. COPS redeployment funds may not be used to replace funds that eligible agencies otherwise would have devoted to equipment, technology, or civilian hiring.

COPS funding must be allocated based on a formula previously established by Congress. Under this formula, 50 percent of the annual grant funds are awarded to jurisdictions serving populations over 150,000, and 50 percent of the funds are awarded to those serving 150,000 or below. The COPS Office already has reached the funding limit for FY 96 for smaller jurisdictions, therefore applications for
