SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, an information collection package with respect to the Community Renaissance Fellows Program (CRFP). HUD seeks to

Under the Community Renaissance Fellows Program, HUD will create a new profession—community builders. Mid-level professionals will be selected through a nation-wide competition to learn how to transform neighborhoods into healthy, vibrant communities. Fellows will be placed in HOPE VI public housing transformation projects that are being converted to mixed income communities. The skills they learn can then be transferred to other neighborhood transformation projects. In addition to the on-site experience, Fellows will attend intensive seminars three times a year during their two-year Fellowships to learn state-of-the-art information about community building. The educational component of the program will be designed and offered by Yale University. At least 20 Fellows will be selected this year.

Submission of the information required under this information collection is mandatory in order to compete for and receive the benefits of the program. All materials submitted are subject to the Privacy Act and will not be disclosed. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number. The OMB control number, when assigned, will be announced by a separate notice in the Federal Register.
