National Center for Environmental Health Advisory Committee

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, as amended (5 U.S.C. App. 2), the Centers for Disease Control and Prevention (CDC) announces the establishment by the Secretary of Health and Human Services, August 2, 1996, of the following Federal advisory committee:

Designation: Advisory Committee to the Director, National Center for Environmental Health.

Purpose: The Advisory Committee to the Director, National Center for Environmental Health (NCEH), will provide advice and guidance to the Secretary, HHS; the Assistant Secretary for Health; the Director, CDC; and the Director, NCEH, CDC, regarding program goals and objectives, strategies, and priorities. The Committee will provide advice on: (1) Environmental public health problems that potentially pose the greatest risks to human health and may not be receiving adequate attention; (2) the primary prevention of birth defects and developmental and other disabilities; (3) the prevention of secondary conditions in those with a primary disability; and (4) the research agenda needed to improve the science base relative to human health effects and environmental exposures, which will ultimately provide sound human health data for policy and decision-making.

Authority for this committee will expire on August 2, 1998, unless the

Secretary of Health and Human Services, with the concurrence of the Committee Management Secretariat, General Services Administration, formally determines that continuance is in the public interest.

Dated: August 16, 1996.

Nancy C. Hirsch,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).

Food and Drug Administration

Request for Nominations for Representatives of Consumer and Industry Interests on Public Advisory Panels or Committees

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is requesting nominations for consumer representatives and industry representatives to serve on certain device panels of the Medical Devices Advisory Committee and on the National Mammography Quality Assurance Advisory Committee in the Center for Devices and Radiological Health. Nominations will be accepted for current vacancies and for those that will or may occur through June 30, 1997.

FDA has a special interest in ensuring that women, minority groups,

individuals with disabilities, and small businesses are adequately represented on advisory committees and, therefore, encourages nominations for appropriately qualified candidates from these groups, as well as nominations from small businesses that manufacture medical devices subject to the regulations.

DATES: Nominations should be received by October 21, 1996, for vacancies listed in this notice.

ADDRESSES: All nominations and curricula vitae for consumer representatives should be submitted in writing to Annette Funn (address below). All nominations and curricula vitae (which includes nominee's office address and telephone number) for the industry representatives should be submitted in writing to Kathleen L. Walker (address below).
