The draft recovery plan was developed with the participation of State and Federal land management agencies, local agencies and property owners, including the California Department of Fish and Game, U.S. Bureau of Land Management, Inyo National Forest, and the Los Angeles Department of Water and Power. The plan calls for restoration of wetland and aquatic habitats throughout the Owens River drainage. The plan describes tasks that, when accomplished, should ensure the survival of target species, and thereby justify their removal from the endangered and threatened species list.

Paradise-Denio and Sonoma-Gerlach (Lands) Management Framework Plans Amendment and Environmental Assessment; Nevada

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent and scoping period.

SUMMARY: The Bureau of Land Management intends to amend the Lands portion of the Paradise-Denio and Sonoma-Gerlach Management Framework Plans. The purpose of these amendments is to give the Winnemucca District more flexibility to consider requests for disposal and acquisition actions that involve parcels that have not previously been specifically identified in existing land use plans.

Lands considered for acquisition would serve certain purposes. Additionally, lands considered for disposal would be evaluated based on criteria including, but not limited to, public resource values or concerns,

accessibility, and other factors. All land disposal actions are discretionary. Exchange is the preferred method of disposal, but sales would be considered where more efficient. Disposal of these lands would be made on a case-by-case basis, and would be accomplished by the most appropriate disposal authority. All lands considered for disposal must meet one or more of the criteria outlined in Sec. 203(a) of the Federal Land Policy and Management Act. A 30-day scoping period to solicit public comment on the Paradise-Denio and Sonoma-Gerlach (Lands) Amendments is scheduled.

DATES: All comments must be submitted in writing and postmarked no later than September 30, 1996.

ADDRESSES: Written comments should be addressed to: Ron Wenker, District Manager, Winnemucca District Office, 5100 E. Winnemucca Boulevard, Winnemucca, NV 89445.
