

development of an acceptable, long-range, comprehensive action plan, the Department has asked the Keystone Center to serve as a facilitator to provide the organizational and logistical services and expertise for the development of this plan. The Keystone Center is a private, nonprofit public policy, science, and education organization that has broad experience in bringing together the diverse views of industry, consumer, and health professional groups. Additionally, the Department has asked the Keystone Center to form, in consultation with the Department, a steering committee that will solicit and coordinate input from all interested parties and oversee the development of the plan.

The Department requests that all parties who represent national organizations and wish to participate on the steering committee, submit the following information to the Keystone Center (address above): (1) Name of individual and organization, (2) specification or certification that the organization is of national standing, (3) type of group represented (e.g., health care professionals, consumers, pharmaceutical manufacturers), (4) size of membership, (5) relevance of the organization to the plan goals or organizational interest in participation in development of the plan, and (6) address, e-mail, telephone number, and facsimile number of individual and alternate contact. Due to the shore timeframes specified in the Appropriations Act, this submission should be received [by] no later than 5 p.m. (EDT), September 3, 1996.

The Keystone Center, in consultation with the Department, will select organization representatives from the submissions to become members of the steering committee. The committee will then solicit input from *all* interested parties and may hold a series of meetings to allow the parties to discuss and develop the plan. The first meeting of the steering committee will be hosted by the Department at a time and place to be announced. Invitations will be issued to the selected representatives. At this meeting, representatives from the Department and from the Keystone Center will discuss the development of an action plan and be available to answer questions.

Dated: August 23, 1996.
