

in Bed 14, 2.9 million tons in Bed 2, and 9.4 million tons in Bed 1 for a rounded total of 58.7 million tons of minable trona in the tract.

Tract G (WYW139802)

T. 15 N., R. 108 W., 6th P.M., Wyoming  
Sec. 6: Lots 1 thru 7, S2NE, SENW, E2SW, SE;

Sec. 8: All.

Containing 1,269.52 acres.

Tract G contains an estimated 1.4 million tons in Bed 17, 4.9 million tons in Bed 9, 31.3 million tons in Bed 4, and 51.7 million tons in Bed 2 for a rounded total of 89.2 million tons of minable trona in the tract.

Tract H (WYW128038)

T. 17 N., R. 110 W., 6th P.M., Wyoming

Sec. 10: All;

Sec. 12: All.

Containing 1,280 acres.

Tract H contains an estimated 2.6 million tons in Bed 17, .6 million tons in Bed 14, and 30.8 million tons in Bed 12 for a rounded total of 34.0 million tons of minable trona in the tract. The lands included in Tract H were previously offered as Parcel 3 at the sodium sale held May 1, 1996; however, the one bid received for the parcel did not meet fair market value as determined by the Authorized Officer.

The leases issued as a result of this offering will provide for payment of annual rentals for each acre, or fraction thereof, as follows: 25 cents for the first calendar year or fraction thereof; 50 cents for the second, third, fourth and fifth calendar years, respectively; and, one dollar for the sixth and each and very calendar year thereafter during the continuance of the leases. The rental paid for any year shall be credited against the first royalties as they accrue under the lease during the year for which the rental was paid. The production royalty rate shall be 8 percent of the quantity or gross value of the output of sodium compounds and related products at the point of shipment to market.

The Bureau of Land Management reserves the right to withdraw any or all of the parcels at any time prior to the sale.

Bidding instructions for the offered tracts are included in the Detailed Statement of Lease Sale. Copies of the statement and of the proposed sodium leases are available at the Wyoming State Office. Case file documents are also available at that office for public inspection.

Dennis R. Stenger,

*Acting Deputy State Director, Minerals and Lands.*

### Minerals Management Service

**AGENCY:** Minerals Management Service, Interior.

**ACTION:** Notice of availability of the proposed final 5-Year Outer Continental Shelf (OCS) Oil and Gas Leading Program for 1997-2002.

The MMS has issued a Proposed Final OCS Oil and Gas Program for 1997-2002. This is the last of three program proposals required to be prepared before approval of a new 5-year OCS program in accordance with section 18 of the OCS Lands Act, as amended. In addition to the requirements of section 18, the President's and Secretary's policy objectives of consensus-based decisionmaking, science-based decisionmaking, and the use of natural gas as an environmentally preferred fuel have been considered in developing the Proposed Final Program.

Sixty days after issuance of the Proposed Final Program, the new program may be approved to succeed the current one, which covers the period July 1992 through June 1997. The 5-year OCS program provides a means for the Federal Government, affected States and localities, industry, and other interested parties to plan, consult, and coordinate on OCS activities.

A final Environmental Impact Statement (EIS) prepared in accordance with section 102(2)(C) of the National Environmental Policy Act is being issued along with the Proposed Final Program.

Proposed Final Program and final EIS information and documents can be obtained from the following: Regional Director, MS-5000, Gulf of Mexico Region, Minerals Management Service, 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123-2394, telephone (504) 736-2947 or 1-800-200-GULF; Regional Director, MS-7000, Pacific Region, Minerals Management Service, 770 Paseo Camarillo, Camarillo, California 93010, telephone (805) 389-7533; and Regional Director, MS-8000, Alaska Region, Minerals Management Service, University Plaza Building, Suite 300, 949 East 36th Avenue, Anchorage, Alaska 99508, telephone (907) 271-6070.

Proposed Final Program information and documents also can be obtained from: Chief, Branch of Program Development and Planning, MS-4430, Minerals Management Service, Room 2328, 381 Elden Street, Herndon, Virginia 22070-4817, telephone (703) 787-1215.

Final EIS information and documents also can be obtained from: Chief, Environmental Projects Coordination Branch, MS-4320, Minerals

Management Service, 831 Elden Street, Herndon Virginia 22070-4817, telephone (703) 787-1674.

For information on the development of the Proposed Final Program for 1997-2002, telephone Carol Hartgen or Tim Redding, Branch of Program Development and Planning, at (703) 787-1215.

Dated: August 22, 1996.

Cynthia Quarterman,

*Director, Minerals Management Service.*

### National Park Service

#### Cape Cod National Seashore Advisory Commission; Establishment

**AGENCY:** National Park Service, Department of the Interior.

**ACTION:** Establishment.

**SUMMARY:** The National Park Service (NPS) is giving notice of its intent to establish the Cape Cod National Seashore Advisory Commission in accordance with the Federal Advisory Committee Act (PL 92-463, 86 Stat. 770, 5 U.S.C. Appx., section 10).

The Commission was originally established by Section 8 of PL 87-126, August 7, 1961. It was reestablished by PL 99-349, Amendment 24, July 2, 1986, and extended to May 31, 1996, by PL 99-420, September 25, 1986. Because the need for the Commission is expected to continue indefinitely, the National Park Service is administratively re-establishing the Commission in the same form as it has existed under its expired statutory authority. In this way the Commission may continue its work without interruption.

The purpose of the Commission is to consult with the Secretary of the Interior, or the Secretary's designee, with respect to matters relating to the development of the Cape Cod National Seashore, and with respect to carrying out the provisions of sections 4 and 5 of the Act establishing the Seashore.

Composition: The Commission is to consist of 10 members as follows:

(1) Six members appointed from recommendations made by each of the boards of selectmen of the towns of Truro, Wellfleet, Eastham, Orleans, Chatham, and Provincetown, Commonwealth of Massachusetts;

(2) One member to be appointed from recommendations of the county commissioners of Barnstable County, Commonwealth of Massachusetts;

(3) Two members to be appointed from recommendations of the Governor
