Notice Pursuant to the National
Cooperative Research and Production
Act of 1993—Mobile Information
Infrastructure for Digital Video and
Multimedia Applications Joint Venture

Notice is hereby given that, on August 1, 1996, pursuant to § 6(a) of the
et seq. ("the Act"), the Mobile Information Infrastructure for Digital Video and Multimedia Applications
Joint Venture ("MII Joint Venture") has filed written notifications simultaneously with the Attorney
General and the Federal Trade Commission disclosing (1) the identities of the new
member(s): Lucent Technologies, Inc., Murray Hill, NJ. In addition, AT&T Corp. has withdrawn from the joint
venture.

No other changes have been made in either the membership or planned
activity of the joint venture.

Membership in this joint venture remains open. MII Joint Venture intends
to file additional written notifications disclosing all membership changes.

On September 28, 1995, the MII Joint Venture filed its original notification
pursuant to section 6(a) of the Act. The Department of Justice published a notice in the Federal Register
pursuant to section 6(b) of the Act on February 15, 1996 (61 Fed. Reg. 6039).

Notice Pursuant to the National
Cooperative Research and Production
Act of 1993—National Center for
Manufacturing Sciences, Inc. (NCMS)

Notice is hereby given that, on August 1, 1996, pursuant to Section 6(a) of the
et seq. ("the Act"), the National Center for
Manufacturing Sciences, Inc. ("NCMS") has filed written notifications simultaneously with the Attorney
General and the Federal Trade Commission disclosing changes in its
membership. The notifications were filed for the purpose of extending the
Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages
under specified circumstances. By
resolution at its June 11, 1996, Board of
Directors meeting, the following companies were recently accepted as
members of NCMS: Cimatix, Inc., Albuquerque, NM; Circo Craft Company
Inc., Pointe-Claire, Quebec, CANADA and RoboDisk Corporation, Burbank,
CA. In addition, the following companies were recently accepted as
affiliates of NCMS: GMI Engineering & Management Institute, Flint, MI and Metal Finishing Suppliers’
Association, Inc., Westmont, IL.

No other changes have been made in either the membership or planned
activity of the group research project. Membership in this group research
project remains open, and NCMS intends to file additional written
notification disclosing all changes in membership.

Constance K. Robinson,
Director of Operations, Antitrust Division.

Notice Pursuant to the National
Cooperative Research and Production
Act of 1993—Model HDTV Station Project, Inc.

Notice is hereby given that, on June 28, 1996, pursuant to Section 6(a) of the
et seq. ("the Act"), the Model HDTV Station Project, Inc. has filed written
notifications simultaneously with the Attorney General and the Federal Trade
Commission disclosing (1) the identities of the parties and (2) the nature and
objectives of the venture. The
notifications were filed for the purpose of invoking the Act’s provisions limiting the
recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b)
of the Act, the identities of the parties are: The Association for Maximum
Service Television, Inc., Washington, DC; and the Electronic Industry
Association, Arlington, VA.

The general area of planned activity is to conduct cooperative research in the
design, installation and operation of the first High Definition Digital Television ("HDTV") station in the United States
(the "Model Station"). Design and
operation of the Model Station shall include evaluation and performance of
a wide range of digital studio, distribution, transmission, and
reception equipment and services. The Model Station may also conduct
propagation, interference and coverage experiments and is intended for use as a training facility for the broadcast
community and a demonstration for the public.

Constance K. Robinson,
Director of Operations, Antitrust Division.
