

abstract: Primary: State or Local governments. Others: Individuals or households, and Federal Government. Approximately 52 Attorneys General and 52 designated officials responsible for keeping records of inmates under sentence of death will be asked to provide information on condemned inmates' demographic characteristics, legal status at the time of capital offense, capital offense for which imprisoned, number of death sentences imposed, criminal history information, reason for removal if no longer under sentence of death, method of execution, and cause of death other than by execution. This program analyzes capital punishment statutes, and persons under sentence of death in State and Federal correctional institutions. The Bureau of Justice Statistics uses this information in published reports, and for the U.S. Congress, Executive Office of the President, practitioners, researchers, students, the media, and others in the criminal justice community.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond. 304 responses at 1 hour each for the NPS-8; 2,890 responses at 1/2 hour each for the NPS-8A; and 52 responses at 1/2 hour each for the NPS-8B or NPS-8C.

(6) An estimate of the total public burden (in hours) associated with the collection: 1,775 annual burden hours.
