SUPPLEMENTARY INFORMATION:

Purpose of the Board: The purpose of the Board is to make recommendations to DOE and in the areas of environmental restoration, waste management, and related activities.

Tentative Agenda

(1) Presentation from an expert panel that is reviewing past studies of the movement of plutonium in the soil around Rocky Flats. This evaluation will lead to a set of recommendations for future research in this area. This review was prompted by research data collected in May of 1995 which indicated that plutonium was moving in areas on-site where it was thought to have been immobile.

(2) Presentation on Kaiser-Hill's Fiscal Year 1997 Performance Measures.

(3) Plans to complete work on a set of principles that the agencies should use to guide environmental cleanup plans at Rocky Flats.

(4) Discussion of current options for privatizing work at Rocky Flats.

Public Participation: The meeting is open to the public. Written statements
