Public Land Order No. 7214; Partial Revocation and Modification of Public Land Order No. 5279; Arizona**AGENCY:** Bureau of Land Management, Interior.**ACTION:** Public land order.

SUMMARY: This order revokes a public land order insofar as it affects 103.81 acres of National Forest System lands withdrawn for the Payson Administrative Site and the Cline Cabin Wildlife Enclosure. The revocation is needed to accommodate a proposed land exchange. Of the 103.81 acres being revoked, 63.81 acres are temporarily closed to mining by a Forest Service land exchange proposal, and 40 acres will be opened to mining. This order also modifies the withdrawal on the remaining 296.41 acres to establish a 20-year term under which these lands would remain closed to mining. All of the lands have been and will remain open to mineral leasing.
