RIN 1115-AC83

Requirement for the Registration and Fingerprinting of Certain Nonimmigrants Bearing Iranian and Libyan Travel Documents

AGENCY: Immigration and Naturalization Service, Justice.

ACTION: Notice.

SUMMARY: This notice provides for the registration and fingerprinting of certain nonimmigrants bearing Iranian or Libyan travel documents who apply for admission to the United States. This notice is published in response to concern for national security resulting from terrorist attacks and uncovered plots directed by nationals of Iran and Libya. This procedure is necessary to assist in protecting national security.

EFFECTIVE DATE: September 5, 1996.

FOR FURTHER INFORMATION CONTACT:

Patrice Ward, Acting Chief Inspector, Inspections Division, Immigration and Naturalization Service, 425 I Street NW., Room 4064, Washington, DC 20536, telephone number: (202) 514-0964.

SUPPLEMENTARY INFORMATION: On January 16, 1991, a final regulation was published in the Federal Register at 56 FR 1566 requiring the registration and fingerprinting of certain nonimmigrants bearing Iraqi and Kuwaiti travel documents. The requirement was promulgated in response to the United States condemnation of Iraq's invasion of Kuwait, United States sanctions against Iraq, and the theft of thousands of Kuwaiti passports during the occupation of Kuwait by Iraq, all of which heightened the potential for domestic anti-United States terrorist activities.

The Service published an interim rule in the Federal Register on December 23, 1993 at 58 FR 68024 that removed the requirement for the registration and fingerprinting of certain nonimmigrants bearing Iraqi and Kuwaiti travel documents and added a new paragraph (f) to 8 CFR 264.1. Paragraph (f) provides that the Attorney General may require, by public notice in the Federal Register, certain nonimmigrants of specific countries to be registered and fingerprinted upon arrival in the United States, pursuant to section 263(a)(5) of the Immigration and Nationality Act.

Notice of Requirement for Registration and Fingerprinting of Certain Iranian and Libyan Nonimmigrants

Recent terrorist activities perpetrated against the United States make it necessary for the United States to register and fingerprint certain nonimmigrants from Iran and Libya upon their application for admission to the United States. Therefore, all nonimmigrants bearing Iranian or Libyan travel documents who apply for admission to the United States, except those applying for admission under section 101(a)(15)(A) or 101(a)(15)(G) of the Immigration and Nationality Act, shall be registered on Form I-94 (Arrival/Departure Record), photographed, and fingerprinted on Form FD-258 (Fingerprint Chart) by the Service at the Port-of-Entry where the aliens apply for admission to the United States.

Dated: August 28, 1996.

Janet Reno,

Attorney General.
