DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: 1997 Economic Census Refile Classification Survey.

Form Number(s): NC-9922.

Agency Approval Number: None.

Type of Request: New collection.

Burden: 20,750 hours.

Number of Respondents: 250,000.

Avg Hours Per Response: 5 minutes.

Needs and Uses: The economic census is the primary source of facts about the structure and functioning of the Nation's economy and features unique industry and geographic detail. The 1987 Standard Industrial Classification (SIC) system, currently used to classify businesses by kind-of-business, is being replaced by the new 1997 North American Industry Classification System (NAICS), an international agreement between Canada, Mexico and the United States.

The Census Bureau is implementing the new NAICS for the 1997 Economic Censuses. The change to NAICS will require contacting businesses of sectors most affected by the change to collect NAICS based classification information. The Census Bureau will use this survey to collect classification information from the non-goods producing sectors which include Retail Trade; Wholesale Trade; Transportation, Communication, Electric, and Sanitary Services; and other business services. The Census Bureau will use the classification information collected from businesses to update the Standard Statistical Establishment List (SSEL), the basic sampling frame for many of our current surveys and the 1997 economic census mailing lists. The information collection will ensure respondents receive the correct census form. The collection of this new NAICS information will greatly reduce processing costs and ease reporting burden for the 1997 Economic Censuses data collection and will benefit our current business surveys when they convert to the NAICS classification system, currently planned for FY 2000.

Affected Public: Businesses or other for-profit, Individuals or households, Not-for-profit institutions, State, local or tribal government.

Frequency: One time.

Respondent's Obligation: Mandatory.

Legal Authority: Title 13 USC, Sections 131 and 224.

OMB Desk Officer: Jerry Coffey, (202) 395-7314.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, Acting DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Jerry Coffey, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: September 5, 1996.

Linda Engelmeier,

Acting Departmental Forms Clearance Officer, Office of Management and Organization.
