September 6, 1996.

Take notice that on August 28, 1996, Texas Gas Transmission Corporation (Texas Gas), 3800 Frederica Street, Owensboro, Kentucky 43201 filed in Docket No. CP96-750-000 a request pursuant to Sections 157.205, 157.212, and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212, and 157.216) for approval and permission to replace and relocate an existing delivery point in Hancock County, Kentucky, under the blanket certificate issued in Docket No. CP82-407-000, pursuant to Section 7(c) of the Natural Gas Act (NGA), all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Texas Gas states that it proposes to replace and relocate its Hawesville No. 1 delivery point which is used to serve customers of Western Kentucky Gas (WKG), a local distribution company in the Hawesville, Kentucky area. Texas Gas further states that the delivery point Texas Gas proposes to replace and relocate was originally constructed in 1931 by the Missouri-Kansas Pipe Line Company, a predecessor company of Texas Gas. It is asserted that the proposed relocation of this delivery

point will correct certain operational and maintenance problems as the location of the side valve which serves this delivery point is subject to flooding.

Any person or Commission Staff may, within 45 days of the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214), a motion to intervene and pursuant to Section 157.205 of the regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefor, the proposed activities shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
