Decision List No. 949 for the Week of December 4 Through December 8, 1995

Refund Applications

Ellsworth Freight Lines, Inc., 12/7/95, RF272-97361

The DOE issued a Decision and Order denying an Application for Refund filed by Ellsworth Freight Lines, Inc. in the Subpart V crude oil refund proceeding. Ellsworth had filed an earlier claim for a refund from the Surface Transporters (ST) Escrow and signed a waiver which made the firm ineligible to file in the crude oil proceeding. Ellsworth's ST claim was dismissed because it lacked sufficient documentation to verify its gallonage claim. Since Ellsworth had signed a waiver in the ST proceeding, it was bound by the waiver even though the claim was dismissed. Therefore,

Ellsworth's Application for Refund was denied.

Trans-Continental Express, Inc., 12/7/95, RF272-212

The DOE issued a Decision and Order granting a Motion for Reconsideration filed by Trans-Continental Express, Inc. in the Subpart V crude oil refund proceeding. Trans-Continental had failed to submit documents verifying its gallonage claim in support of its original refund application, and it was therefore denied. However, since Trans-Continental subsequently submitted those documents, and showed good cause for delay in providing the material, its refund claim was granted in the amount of \$13,183.
