Reports, Forms and Recordkeeping Requirements Agency Information Collection Activity Under OMB Review

AGENCY: Department of Transportation (DOT).

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended) this notice announces the Department of Transportation's (DOT) intention to request a reinstatement, without change, of a previously approved information collection for which approval has expired and revision of a currently approved collection. Comments are invited on: whether the proposed collections of information are necessary for the proper performance of the functions of the Department, including whether the information will have

practical utility; the accuracy of the Department's estimate of the burden of the proposed information collections; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology. The Federal Register Notice with a 60-day comment period soliciting comments on the following collection of information was published on July 3, 1996 (FR 61, page 34921-34922).

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

DATES: Comments on this notice must be received on or before October 11, 1996.

ADDRESSES: Send comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725-17th Street, NW., Washington, DC 20503, Attention OST Desk Officer.
