California: Temporary Closure of Senator Wash Reservoir to All Non-Event Types of Boating, Imperial County, CA

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of temporary closure of Senator Wash Reservoir to all non-event types of boating from September 13 to September 15, 1996.

SUMMARY: Notice is hereby given that all non-event types of boating are prohibited on the water surface of Senator Wash Reservoir. The closure area encompasses all waters within Senator Wash Reservoir, which is located within sections 31 and 32, Township 14 South, Range 24 East and sections 5 and 6, Township 15 South, Range 24 East, San Bernardino Meridian, California. The area affected by the closure contains 353 acres more

or less at the high water mark of Senator Wash Reservoir.

SUPPLEMENTARY INFORMATION: The temporary closure of Senator Wash Reservoir to all non-event watercraft is being implemented for health and safety concerns during a water ski tournament sponsored by International Novice Tournament (INT) to be held September 13 through September 15, 1996.

This closure is particularly important due to the abnormally low water level resulting from concurrent dewatering of Senator Wash Reservoir by the Bureau of Reclamation for facility maintenance purposes. The estimated water surface area is not expected to allow traditional boating use during the water skiing tournament. This closure shall apply to all persons except those permitted by a Bureau of Land management officer beginning at 8:00 a.m. September 13 and shall remain in effect until 9:00 p.m. September 15, 1996. Authority for this action is contained in 43 CFR 8364.1. Violation of this regulation is punishable by a fine not to exceed \$100,000 and/or imprisonment not to exceed 12 months. A map of the boating access closure area is available at the Yuma Field Office, 2555 East Gila Ridge Road, Yuma, Arizona 85365k; telephone number 520-317-3200.
