Office of the Secretary

[Docket OST-96-1600, Order 96-9-19]

**Expanded Cargo Transfer Flexibility at
Alaska International Airports**

SUMMARY: The Department tentatively finds that it is consistent with the public interest to grant, except as noted below, the application filed by the State of Alaska, the Anchorage International Airport, and the Fairbanks International Airport on July 26, 1996, requesting that the Department grant blanket authority to all foreign air carriers to conduct expanded cargo transfer activities at international airports in the State of Alaska. The Department is inviting comments on its tentative decision to grant, except as noted below, to all foreign air carriers which hold currently effective Department authority to engage in scheduled foreign air transportation of cargo (whether under authorizations permitting combination or all-cargo services), exemption authority under 49 U.S.C. 41301 to engage in the following cargo transfer activities at Anchorage and Fairbanks International Airports: (1) On-line cargo transfers from one of their own aircraft to any of their other aircraft; (2) all forms of change of gauge for cargo operations, including "starburst" change of gauge; (3) commingling of cargo traffic moving in foreign air transportation with cargo traffic not moving in foreign air transportation; (4) interline cargo transfers to and from U.S. carriers; and (5) interline cargo transfers to and from other foreign carriers. Grant of this authority would also apply to any foreign air carriers which receive Department authority to engage in scheduled foreign air transportation of cargo (whether under authorizations permitting combination or all-cargo services) during the period this exemption is in effect. However, grant of this authority would not apply to foreign air carriers of Japan and the United Kingdom, since we are actively engaged in critical, comprehensive negotiations aimed at forging new, more competitive bilateral aviation agreements with both of these important trading partners. The authority would be effective for one year from the date this show cause order becomes final.

DATES: Objections to the issuance of a final order in this proceeding are due: October 4, 1996. If objections are filed, answers to objections are due: October 11, 1996. Persons filing pleadings should contact the Department's Foreign Air Carrier Licensing Division at the telephone number listed below for a list

of persons to be served with objections and answers to objections.

ADDRESSES: All documents in this proceeding, with appropriate filing copies, should be filed in Docket OST-96-1600, addressed to Central Docket Management Facility, U.S. Department of Transportation, Room PL401, 400 Seventh Street, S.W., Washington, D.C. 20590.

Dated: September 16, 1996.
