Solid Urea From the German Democratic Republic: Termination of Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of termination of changed circumstances review of solid urea from the German Democratic Republic.

SUMMARY: On May 30, 1996, the Department of Commerce ("the Department") initiated a changed circumstances review of the antidumping duty order on solid urea from the former German Democratic Republic (GDR). The purpose of the review was to calculate a new cash deposit rate using a market-economy analysis for any shipments of solid urea from the five German states (Brandenburg, Mecklenburg-Vorpommern, Saxony, Saxony-Anhalt, and Thuringia (plus any other territory included in the former GDR)) that formerly constituted the GDR (hereinafter "the Five States") occurring after May 1, 1995 and before May 31, 1996. On August 15, 1996, the Department initiated, based upon receipt of a timely request from the Ad Hoc Committee of Domestic Nitrogen Producers (hereinafter "the petitioners"), an administrative review covering shipments by SKW Stickstoffwerke Piesteritz GmbH (hereinafter "SKW Piesteritz") from the Five States for the period July 1, 1995 to June 30, 1996. Because the time periods covered by the changed circumstances review and the administrative review substantially overlap, and because the Department would conduct essentially the same analysis in both reviews, the

Department is now terminating the changed circumstances review.

EFFECTIVE DATE: September 20, 1996.

FOR FURTHER INFORMATION CONTACT: Donna L. Kinsella, Office of the Deputy Assistant Secretary, Enforcement Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, telephone (202) 482-4093 or telefax (202) 273-0957.

SUPPLEMENTARY INFORMATION:

Background

On May 30, 1996, the Department published in the Federal Register (61 FR 27049) the initiation of a changed circumstances review in which the Department stated that it would calculate a new cash deposit rate using a market-economy analysis for any shipments of solid urea from the Five States occurring after May 1, 1995 and before May 31, 1996. On August 15, 1996, the Department initiated, in accordance with 19 CFR 353.22(c), an administrative review covering shipments of solid urea by SKW Piesteritz from the Five States for the period July 1, 1995 to June 30, 1996 (61 FR 42416). This initiation was based upon a timely request for review submitted by petitioners in accordance with 19 CFR 353.22(a). Because the time periods covered by the changed circumstances review and the administrative review substantially overlap, and because the Department would conduct essentially the same analysis in both reviews, the Department is now terminating the changed circumstances review. This notice does not affect the pending changed circumstances review of the antidumping duty order covering solid urea from the former GDR initiated on February 12, 1992 (57 FR 5130).

This notice is published pursuant to § 353.22(f) of the Department's regulations (19 CFR 353.22(f) (1995)).

Dated: September 11, 1996.

Joseph A. Spetrini,

Deputy Assistant Secretary, Enforcement Group III.
