BILLING CODE 6717-01-M

[Docket No. CP96-783-000]

Williston Basin Interstate Pipeline Company; Notice of Request Under Blanket Authorization

September 19, 1996.

Take notice that on September 12, 1996, Williston Basin Interstate Pipeline Company (Williston Basin), 200 North Third Street, Suite 300, Bismarck, North Dakota 58501, filed in Docket No. CP96-783-000, a request pursuant to §§ 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for authorization to construct and operate metering and appurtenant facilities in Slope County, North Dakota, to be used as a back-up fuel source to Bear Paw Energy, Inc. (Bear Paw). Williston Basin makes such request, pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request on file with the Commission and open to public inspection.

Specifically, Williston Basin proposes to construct and operate a meter, valves, and piping, within a receipt point metering station that was authorized under Section 2.55(d) of the Commission's Regulations, to allow Williston Basin to make deliveries of up to 2,000 equivalent Dt of natural gas per day to Bear Paw, for Bear Paw's use as a back-up or emergency source of fuel for its field compression facilities. Williston Basin indicates that it will transport the volumes to Bear Paw, under the applicable provisions of its FERC Gas Tariff, Second Revised Volume No. 1.

It is stated that the addition of the proposed facilities will have no significant effect on Williston Basin's peak day or annual requirements, and that the volumes to be delivered are within the certificated entitlements of the customer. The project is estimated to cost approximately \$23,000 and Williston Basin states that Bear Paw will reimburse Williston Basin for said project cost.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Lois D. Cashell,
Secretary.
