Grassroots USA, Inc., Corinth, Mississippi; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on May 31, 1996, applicable to all workers of Grassroots USA, Inc., located in Corinth, Mississippi. The notice was published in the Federal Register on June 20, 1996 (61 FR 31553).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. Workers of the subject firm produced casual sportswear. New findings show that the workers of Grassroots USA, Inc., had their unemployment insurance (UI) taxes paid to Stone Mountain Leasing in Snellville, Georgia, and/or Staff Link Co. in Corinth, Mississippi. These companies provided payroll services to Grassroots. The Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Grassroots USA, Inc. who were adversely affected by imports.

The amended notice applicable to TA-W-32,066 is hereby issued as follows:

All workers of Grassroots USA, Inc., Corinth, Mississippi (including those workers whose UI wages were paid to Stone Mountain Leasing in Snellville, Georgia, and/or Staff Link Co. in Corinth, Mississippi),

who became totally or partially separated from employment on or after March 7, 1995, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 12th day of September 1996.

Curtis K. Kooser,
Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

Ogden Atlantic Design, Poughkeepsie, NY; Notice of Revised Determination on Reconsideration

On July 3, 1996, the Department issued an Affirmative Determination Regarding Application for Reconsideration for workers and former workers of the subject firm. This notice was published in the Federal Register on July 23, 1996 (61 FR 38225).

The Department's initial denial was based on the fact that criteria (3) and (4) of the group eligibility requirements of Section 250 of the Trade Act of 1974, as amended, were not met. There was no shift in production of printed circuit boards from Ogden Atlantic Design in Poughkeepsie to Mexico or Canada, and the worker separations were attributable to the corporate decision to transfer production to other domestic locations.

The petitioners presented evidence that the Department's survey of the customers of Ogden Atlantic was inadequate. Accordingly, the Department conducted a survey of those customers reducing purchases from the subject firm. Findings of the survey revealed that an important customer of the subject firm significantly increased its reliance on imports of printed circuit

boards from Mexico and Canada from 1994 through July 1996.

Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports from Mexico and Canada of articles like or directly competitive with printed circuit boards contributed importantly to the declines in sales or production and to the total or partial separation of workers at Ogden Atlantic Design, Poughkeepsie, New York. In accordance with the provisions of the Act, I make the following certification:

All workers of Ogden Atlantic Design, Poughkeepsie, New York who became totally or partially separated from employment on or after March 18, 1995 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 16th day of September 1996.

Russell T. Kile,
Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
