SUPPLEMENTARY INFORMATION:

Background

On March 9, 1984, the Department published in the Federal Register (49 FR 8974) the countervailing duty order on cotton shop towels from Pakistan. On March 12, 1993, the Department published a notice of "Opportunity to Request Administrative Review" (58 FR 13583) of this countervailing duty order for 1992. We received a timely request for review from Milliken & Company (Milliken), a U.S. producer of the subject merchandise and the petitioner in the original investigation. For 1993, the notice of "Opportunity to Request Administrative Review" was published on March 4, 1994 (59 FR 10368). Milliken, as well as the Government of Pakistan, the Towel Manufacturers Association of Pakistan and exporters of shop towels from Pakistan requested a review for this period. We initiated the 1992 and 1993 reviews on May 6, 1993 (58 FR 26960) and April 15, 1994 (59 FR 18099), respectively. The 1992 review covers 17 manufacturers/exporters of the subject merchandise. The 1993 review covers 20 manufacturers/exporters. The reviewed exporters account for virtually all exports of the subject merchandise. Both reviews cover five programs.

Applicable Statute and Regulations

The Department is conducting these administrative reviews in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Unless otherwise indicated, all citations to the statute and to the Department's regulations are in reference to the provisions as they existed on December 31, 1994. However, references to the Department's Countervailing Duties; Notice of Proposed Rulemaking and Request for Public Comments (54 FR 23366; May 31, 1989) (Proposed Regulations), are provided solely for further explanation of the Department's countervailing duty practice. Although the Department has withdrawn the particular rulemaking proceeding pursuant to which the Proposed Regulations were issued, the subject matter of these regulations is being considered in connection with an ongoing rulemaking proceeding which, among other things, is intended to conform the Department's regulations to the Uruguay Round Agreements Act. See 60 FR 80 (Jan. 3, 1995).

Scope of the Review

The subject merchandise is cotton shop towels from Pakistan. During the review periods, this merchandise was classifiable under item number
