

Institutes of Health (NIH), National Cancer Institute (NCI) has submitted to the Office of Management and Budget (OMB) a request to review and approve the information collection listed below. The proposed information collection was previously published in the Federal Register on March 12, 1996, Page 10001 and allowed 60 days for the public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for the public comment. The National Institutes

of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995 unless it displays a currently valid OMB control number.

Proposed Collection: Title: Survey for the National 5 A Day for Better Health Program—NEW—Need and use of information collection: This study will measure fruit and vegetable intakes and the knowledge, attitudes, and beliefs about diet and nutrition specific to fruit

and vegetable intake. The purpose of this study is to provide data to the National 5 A Day for Better Health Program after the first five years of existence. Frequency of Response: Once. Affected Public: One questionnaire will be administered via telephone using a national sample of households, with an over sampling of African-American and Hispanics. Study participants will be U.S. adults 18 years and older residing in the coterminous states. Burden estimates are as follows:

Type of respondents	No. of respondents	No. of responses per respondent	Average burden/response	Estimated total annual burden hours requested
Individuals or Households	3,050	1	.251	766
Total				766

Request for Comments: Written comments and/or suggestions from the public and affected agencies are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Direct Comments to OMB: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget, Office of Regulatory Affairs, New Executive Office Building, Room 10235, Washington, DC 20503, Attention: Desk Officer for NIH. To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact: Amy F. Subar, Ph.D., National Cancer Institute, EPN 313, 6130 Executive Boulevard, Rockville, MD 20892-7364, or call non-toll-free number (301) 594-0831.

Comments Due Date: Comments regarding this information collection are best assured of having their full effect if received on or before October 28, 1996.

Dated: September 20, 1996.
Nancie L. Bliss,
NCI Project Clearance Liaison.
