U.S. Strategic Command Strategic Advisory Group

AGENCY: Department of Defense, USSTRATCOM.

ACTION: Notice.

SUMMARY: The Strategic Advisory Group (SAG) will meet in closed session on October 24 and 25, 1996. The mission of the SAG is to provide timely advice on scientific, technical, and policy-related issues to the Commander in Chief, U.S. Strategic Command, during the development of the nation's strategic warplans. At this meeting, the SAG will discuss strategic issues that relate to the development of the Single Integrated Operational Plan (SIOP). Full development of the topics will require discussion of information classified TOP SECRET in accordance with Executive Order 12958, April 17, 1995. Access to this information must be strictly limited to personnel having requisite security clearances and specific need-to-know. Unauthorized disclosure of the information to be discussed at the SAG meeting could have exceptionally grave impact upon national defense. In accordance with

section 10(d) of the Federal Advisory Committee Act, (5 U.S.C. App 2), it has been determined that this SAG meeting concerns matters listed in 5 U.S.C. 552b(c) and that, accordingly, this meeting will be closed to the public.

Dated: September 20, 1996.

[Docket No. CP96-796-000]

Manta Ray Offshore Gathering Company, L.L.C.; Notice of Petition for Declaratory Order

September 20, 1996.

Take notice that on September 17, 1996, Manta Ray Offshore Gathering Company, L.L.C. (Applicant), 600 Travis, 7200 Texas Commerce Tower, Houston, Texas 77002, filed a petition under Rule 207 of the Commission's Rules of Practice and Procedure, for an order declaring a new lateral addition to its gathering system exempt from the Commission's jurisdiction under

Section 1(b), all as more fully set forth in the petition, which is on file with the Commission and open to public inspection.

Applicant states that the proposed lateral will consist of 47 miles of 24-inch line. The lateral will run from the Bullwinkle platform in Green Canyon Block 65, to its system end at the Ship Shoal Block 207 platform. Throughput capacity of the new lateral will be 300,000 Mcf per day.

Applicant states that the proposed lateral is needed to accommodate deep water reserves being dedicated to it in the Green Canyon area and to access interstate capacity. Applicant states further, that it determined that it needs new capacity in this area and that the lateral will allow maximum use of its existing system.

Accordingly, any person desiring to be heard or to make any protest with reference to said petition should on or before September 27, 1996, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure, 18 CFR 385.214 or 385.211. All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Linwood A. Watson, Jr.,
Acting Secretary.
