

David A. Leighow, Division Environmental Coordinator, Federal Highway Administration, 550 Eagan Street, Suite 300, Charleston, West Virginia 25301, Telephone (304) 347-5268; or, Mr. Ben L. Hark, West Virginia Department of Transportation, Division of Highways, Building 5, Room A-464, 1900 Kanawha Boulevard East, Charleston, West Virginia 25305-0430, Telephone (304) 558-2885.

**SUPPLEMENTARY INFORMATION:** The FHWA, in cooperation with the West Virginia Department of Transportation, will prepare an Environmental Impact Statement (EIS) on a proposal to construct an approximately 3-mile bypass with partially controlled access on US 220 around Moorefield, Hardy County, West Virginia. The Moorefield Bypass is proposed to relieve traffic congestion associated with heavily industrialized areas within and surrounding the downtown area of Moorefield.

Alternatives under consideration include: (1) The No-Build Alternative, which consists of taking no action; and (2) the Build Alternatives, which include improving existing roadways and the construction of a bypass with partially controlled access on various new locations.

Letters describing the proposed action and soliciting comments will be sent to appropriate federal, state, and local agencies, and to private organizations and citizens who have previously expressed or are known to have an interest in this project. Public meetings will be held in the study area prior to the public hearings. Public notice will be given of the time and place of the meetings and hearings. The Draft EIS will be available for public and agency review and comment prior to the public hearing. A formal scoping meeting will be held.

To ensure that the full range of issues related to this proposed action are addressed and all significant issues are identified, comments and suggestions are invited from all interested parties. Comments and questions concerning the proposed action and the EIS should be directed to the FHWA at the address provided above.
