#### SUPPLEMENTARY INFORMATION:

This action has been reviewed and determined not to be a rule or regulation as defined in Executive Order 12866 and Departmental Regulation 1512-1; therefore, the Executive Order and Departmental Regulation do not apply to this action.

In the May 1, 1996, Federal Register (61 FR 19254), GIPSA asked persons interested in providing official services in the geographic areas assigned to Hastings and New York to submit an application for designation. Applications were due by May 30, 1996. Hastings and New York, the only applicants, each applied for designation to provide official services in the entire areas currently assigned to them.

Since Hastings and New York were the only applicants, GIPSA did not ask for comments on the applicants.

GIPSA evaluated all available information regarding the designation criteria in Section 7(f)(1)(A) of the Act; and according to Section 7(f)(1)(B), determined that Hastings and New York are able to provide official services in the geographic areas for which they applied. Effective November 1, 1996, and ending October 31, 1999, Hastings and New York are designated to provide official services in the geographic areas specified in the May 1, 1996, Federal Register.
