September 26, 1996.

The Applicants state that the proposed Agreement is designed to: (1) Provide Tennessee needed additional capacity on the South Pass 77 system;

(2) grant Columbia Gulf direct access from its mainline system to the South Pass 77 system through a lease of a portion of Tennessee's mainline facilities; and (3) amicably resolve a contract dispute between Tennessee and Columbia Gulf with respect to the Applicants' capacity rights on the South Pass 77 system which has impeded the attachment of new supplies the system.

Applicants state that the lease of capacity will provide their customers with greater flexibility, increased supply and market opportunities.
