

Brooklyn Union seeks a Commission order directing Transco to permit Brooklyn Union and other similarly situated shippers in Zone 6 under Transco's Part 284 transportation rate schedules, to nominate, schedule and deliver gas on a secondary basis at Transco's Leidy, Pennsylvania and Wharton, Pennsylvania delivery points and any other point where Transco may require delivery of gas for subsequent injection pursuant to Rate Schedule GSS.

Any person desiring to be heard or protest said complaint should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with Section 385.214 and 385.211 of the Commission's Rules of Practice and Procedure. All such motions or protests must be filed on or before October 25, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. Answers to this complaint shall be due on or before October 25, 1996.

Lois D. Cashell,

*Secretary.*

BILLING CODE 6717-01-M

**[Docket No. CP 96-804-000]**

**Columbia Gas Transmission Corporation; Notice of Request Under Blanket Authorization**

September 27, 1996.

Take notice that on September 20, 1996, Columbia Gas Transmission Corporation (Columbia Gas), 1700 MacCorkle Avenue, S.E., Charleston, West Virginia 25314-1599, filed in Docket No. CP96-80-000, a request pursuant to §§ 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for authorization to construct and operate the facilities to establish three additional points of delivery to existing customers. Columbia Gas makes such request, under its blanket certificate issued in Docket No. CP83-76-000, pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request on file with the commission and open to public inspection.

Specifically, Columbia Gas is proposing to construct and operate an additional delivery point to Columbia Gas of Ohio, Inc. in Holmes County, Ohio. Columbia Gas is also proposing to construct and operate two additional delivery points to Mountaineer Gas Company, in West Virginia, one of which will be located in Wayne County, and the other to be located in Barbour county. It is stated that each of the delivery points is slated to receive firm service of up to 1.5 Dt of natural per day and up to 150 Dt annually for residential service under Part 284 of the Commission's regulation.

Columbia Gas states that the volumes to be delivered at the proposed delivery points will be within the certificated entitlement of the respective customer. Columbia Gas estimates that the proposed delivery facilities will cost \$150 each, and that such cost will be treated as an operating and maintenance expense.

Any person or the Commission's staff may within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Lois D. Cashell,

*Secretary.*
