L. 102-408, dated October 13, 1992. These grant programs include:

- Grants for Predoctoral Training in Family Medicine
- Grants for Faculty Development in Family Medicine
- Grants for Establishment of Departments of Family Medicine
- Grants for Graduate Training in Family Medicine
- Grants for Residency Training in General Internal Medicine and General Pediatrics
- Grants for Faculty Development in General Internal Medicine and General Pediatrics
- Grants for Physician Assistant Training
- Grants for Podiatric Primary Care Residency Training

This program announcement is subject to reauthorization of the legislative authority and to the appropriation of funds. Applicants are advised that this program announcement is a contingency action being taken to assure that, should authority and funds become available for this purpose, they can be awarded in a timely fashion consistent with the needs of the program as well as to provide for even distribution of funds throughout the fiscal year. At this time, due to the absence of FY 1997 appropriations for Title VII programs, the amount of available funding for these specific grant programs is unknown. Listed below are the average award amounts for the primary care programs in FY 1996:
