Interim Report

1. New York State Board of Regents (Nursing Education Unit).

In accordance with the Federal policy governing the granting of academic degrees by Federal agencies (approved by a letter from the Director, Bureau of the Budget, to the Secretary, Health, Education, and Welfare, dated December 23, 1954), the Secretary is required to establish a review committee to advise the Secretary concerning any legislation that may be proposed that would authorize the granting of degrees by a Federal agency. The review committee forwards its recommendation concerning a Federal agency's proposed degree-granting authority to the Secretary, who then forwards that committee's recommendation and the Secretary's recommendation to the Office of Management and Budget for review and transmittal to the Congress. The Secretary uses the Advisory Committee as the review committee required for this purpose. Accordingly, the Advisory Committee will review the following institution at this meeting.

Proposed Bachelor's Degree-Granting Authority

1. Joint Military Intelligence College, Bolling Air Force Base (for Bachelor of Science in Intelligence).

A request for comments on all agencies whose petitions, interim reports, and request for degree-granting authority are being reviewed during this meeting was published in the Federal Register dated July 9, 1996.

This notice invites third-party oral presentations before the Advisory Committee. It does not constitute another call for written comment. Requests for oral presentation before the Advisory Committee should be submitted in writing to Ms. Sperry at the address above by October 30, 1996. Requests should include the names of all persons seeking an appearance, the organization(s) they represent, and a brief summary of the principal points to be made during the oral presentation. Presenters are requested not to distribute written materials at the meeting. Any written materials presenters may wish to give to the Advisory Committee must be submitted to Ms. Sperry by October 30, 1996 (one original and 25 copies). Only documents presenters submit by that date will be considered by the Advisory Committee.

At the conclusion of the meeting, attendees may, at the discretion of the Committee chair, be invited to address the Committee briefly on issues pertaining to the functions of the Committee, as identified in the section above on Supplementary Information.
