Confluence Recreation Site Camping Closure and No Fires Notice

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Notice is hereby given that effective immediately, the undeveloped site in the Cascade Resource Area known as the Confluence Recreation Site is closed to camping and open fires. The closed area is generally described as follows.

At the confluence of the Payette River (Middle Fork) with the Payette River (South Fork) approximately 3 miles west of Garden Valley on the Garden Valley Road (Highway 17), Boise County, Idaho, T.9N., R.4E. Section 20, lot 1 and lot 2, Boise Meridian, Idaho.

FOR FURTHER INFORMATION CONTACT: John Fend, Area Manager, 3948 Development Avenue, Boise, Idaho 83705, telephone (208) 384-3000.

SUPPLEMENTARY INFORMATION: Past camping of this small undeveloped site has caused considerable confrontation with users and with residents of an adjacent developed residential area. Recreation users trespass across a private road and bridge to gain vehicular access to the peninsula portion of the site. This portion is very small, less than two acres, and has no sanitation facility. Open fires pose a safety hazard to the neighboring development. The site contains mixed ponderosa pine, shrubs, perennial and annual grasses. The area dries out early in the summer season and contains easily ignitable fire fuels. The intended effect of this action is to eliminate degradation by campers, and reduce the possibility of accidental wildfire and threat to the neighboring development. Day use access from river to peninsula and river and road access to northern parcel will continue. Camping closure and no fires signs will be posted at the site.

The authority for this closure is 43 CFR 8364.1. The closure is in conformance with the Cascade Resource Management Plan. It will remain in effect until rescinded or modified by the authorized officer.

Thomas M. Woodward,

Acting Cascade Resource Area Manager.

Eighth Street Fire In Ada County, ID; Emergency Closure

AGENCY: Bureau of Land Management, Interior.

ACTION: Emergency closure of roads, trails and all cross-country travel to pedestrians, equestrians, motorized vehicles, bicycles on BLM-administered lands with the perimeter of the Eighth Fire in Ada County, Idaho.

SUMMARY: All types of travel, pedestrians, equestrians, motorized vehicles, and bicycles are limited to roads and trails that are marked or posted open on public lands administered by the Bureau of Land Management within the boundaries of the Eighth Street Fire in Ada County, Idaho to protect the public from the exposed hazards, and to reduce erosion to soil and watershed. The area is roughly bounded by the Boise City on the southwest, Bogus Basin Road on the northwest, Rocky Canyon on the southeast and the Boise Ridge Road on the northeast.

The closure will be in effect immediately and will expire September 30, 1998, unless the authorized officer determines that the safety hazards still present a danger to users or the soil and vegetation within the burned area are insufficiently stabilized to sustain traffic. Exception to this closure, which will be posted, include vehicle use for administrative and emergency purposes. Under special circumstances, and upon request, the authorized officer may issue a permit allowing vehicle access into the area for other purposes, on a case-by-case basis. Along the perimeter of the fire, only the Rocky Canyon, Bogus Basin, and Boise Ridge Roads will remain open to vehicle traffic. All traffic on the Rocky Canyon, Bogus Basin, and Boise Ridge Roads will be confined to the roadbed and will not be permitted to travel off the road into the fire area unless the roads and trails are marked or posted open.
