

companies except those covered by this review will be unchanged by the results of this review.

We will instruct Customs to continue to collect cash deposits for non-reviewed companies at the most recent company-specific or country-wide rate applicable to the company. Accordingly, the cash deposit rates that will be applied to non-reviewed companies, except Timminco Limited (which was excluded from the order during the original investigation), covered by this order are those established in the most recently completed administrative proceeding. See 57 FR 30946. These rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested. In addition, for the period January 1, 1994 through December 31, 1994, the assessment rates applicable to all non-reviewed companies covered by this order are the cash deposit rates in effect at the time of entry.

If the final results of these reviews remain the same as these preliminary results, the Department intends to instruct the Customs Service to assess countervailing duties at 4.01 percent of the F.O.B. invoice price on all shipments by NHCI of the subject merchandise, exported on or after January 1, 1994 and on or before December 31, 1994. The Department also intends to instruct the Customs Service to collect a cash deposit of 4.01 percent on all shipments by NHCI of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of these administrative reviews.
