BILLING CODE 6450-01-P

Energy Information Administration

Agency Information Collection Under Review by the Office of Management and Budget

AGENCY: Energy Information Administration, Department of Energy.
ACTION: Submission for OMB review; comment request.

SUMMARY: The Energy Information Administration (EIA) has submitted the energy information collection(s) listed at the end of this notice to the Office of Management and Budget (OMB) for review under section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995 (Pub. L. 104-13). The listing does not include collections of information contained in new or revised regulations which are to be submitted under section 3507(d)(1)(A) of the Paperwork Reduction Act, nor management and procurement assistance requirements collected by the Department of Energy (DOE).

Each entry contains the following information: (1) Collection number and title; (2) summary of the collection of information (includes sponsor (the DOE component)), current OMB document number (if applicable), type of request (new, revision, extension, or reinstatement); response obligation (mandatory, voluntary, or required to obtain or retain benefits); (3) a description of the need and proposed use of the information; (4) description of the likely respondents; and (5) estimate of total annual reporting burden (average hours per response \times proposed frequency of response per year \times estimated number of likely respondents.)

DATES: Comments must be filed on or before November 8, 1996. If you anticipate that you will be submitting comments but find it difficult to do so

within the time allowed by this notice, you should advise the OMB DOE Desk Officer listed below of your intention to do so as soon as possible. The Desk Officer may be telephoned at (202) 395-3084. (Also, please notify the EIA contact listed below.)

ADDRESSES: Address comments to the Department of Energy Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, 726 Jackson Place N.W., Washington, D.C. 20503. (Comments should also be addressed to the Office of Statistical Standards at the address below.)

FOR FURTHER INFORMATION CONTACT: Requests for additional information should be directed to Jay Casselberry, Office of Statistical Standards, (EI-73), Forrestal Building, U.S. Department of Energy, Washington, D.C. 20585. Mr. Casselberry may be telephoned at (202) 426-1116, FAX (202) 426-1081, or e-mail at jccasselb@eia.doe.gov.

SUPPLEMENTARY INFORMATION: The energy information collection submitted to OMB for review was:

1. EIA-176, 191, 191S, 857, 857S, and 895 "Natural Gas Program Package";
2. Energy Information Administration, OMB No. 1905-0175, Extension with changes (i.e., discontinue Form EIA-627 and modify Form EIA-895 to collect annual reporting of monthly natural gas wellhead prices), Mandatory for all forms except EIA-895 which is voluntary;
3. The Natural Gas Program Package forms collect basic and detailed natural gas production, processing, transmission, storage, consumption and price data. The data are published by the Energy Information Administration and are used by both public and private energy industry analysts.

Significant change from EIA's request for public comments on May 20, 1996 (61 FR 25212) are: (1) Form EIA-191 data will continue to be treated as confidential and (2) the proposed new Form EIA-901, "Monthly Report of

Natural Gas Marketers," has been postponed. Based on industry meetings, a pretest of the Form EIA-901, and public comments on the earlier notice, EIA has decided the Form EIA-901 needs further development/testing and will not be submitted to OMB at this time. EIA remains committed to development of a survey designed to address the need to improve its natural gas price data and plans to submit such a survey to OMB for approval in 1997;

4. Businesses and others for-profit involved in the natural gas production through sales cycle as well as State governments;
5. 44,046 hours (5.370 hours average per response \times 4,256 average responses per year \times 1927 respondents).

Statutory Authority: 44 U.S.C. 3506(a)(2)(A) of the Paperwork Reduction Act of 1995 (Pub. L. 104-13).

Issued in Washington, DC, October 2, 1996.
Yvonne M. Bishop,

Director, Office of Statistical Standards,
Energy Information Administration.
