

existing firm transportation agreement with Corinth. It is indicated that the total estimated construction cost of the proposed delivery point is \$98,300, for which Corinth will reimburse Tennessee. Tennessee asserts that the total quantities to be delivered to Corinth after the delivery point is installed will not exceed the total quantities authorized prior to this request. Tennessee further asserts that the installation of the proposed delivery point is not prohibited by Tennessee's existing tariff. Tennessee also indicates that it has sufficient capacity to accomplish deliveries at the proposed delivery point without detriment or disadvantage to its other customers.

Any person or Commission Staff may, within 45 days of the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214), a motion to intervene and pursuant to Section 157.205 of the regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefor, the proposed activities shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Lois D. Cashell,  
*Secretary.*

BILLING CODE 6717-01-M

[Docket No. CP92-184-015]

**Texas Eastern Transmission Corporation; Notice of Compliance Filing**

October 4, 1996.

Take notice that on September 30, 1996, Texas Eastern Transmission Corporation (Texas Eastern) tendered for filing as part of its FERC Gas Tariff, Sixth Revised Volume No. 1, the following tariff sheet to be effective November 1, 1996:

Thirteenth Revised Sheet No. 34A

Texas Eastern asserts that the purpose of this filing is to comply with the Commission's orders issued March 17, 1995 and June 6, 1995 in Docket No. CP92-184, et al.

Texas Eastern states that on August 29, 1994 in Docket No. CP92-184-009, Texas Eastern filed an application pursuant to Section 7(c) of the NGA to

amend its July 1993 ITP certificate to, inter alia, modify the facility configuration for changing customer requirements and to revise the initial incremental rates authorized for its 1996 ITP service. In the March 17, 1995 order, the Commission approved Texas Eastern's application and amended Texas Eastern's ITP certificate as requested.

Texas Eastern states that it is filing Thirteenth Revised Sheet No. 34A to implement the initial incremental rates for 1996 ITP service.

Texas Eastern states that copies of the filing were served on the firm customers of Texas Eastern and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. RP96-211-005]

**Transcontinental Gas Pipe Line Corporation; Notice of Compliance Filing**

October 4, 1996.

Take notice that on October 2, 1996, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing certain pro forma tariff sheets to its FERC Gas Tariff, Third Revised Volume No. 1, which tariff sheets are listed on Attachment A attached to the filing.

Transco states that the purpose of the instant filing is to comply with the Commission's orders dated September 16, 1996 in Docket No. RP96-211-000 (September 16 Order). The September 16 Order directed Transco to modify its firm open access transportation rate schedules to provide firm backhaul service on a primary point basis unless such service is operationally infeasible, as determined on a case-by-case basis.

Transco states that it is serving copies of the instant filing to customers, State

Commissions and other interested parties.

Any person desiring to protest such filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 18 CFR 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission, and are available for public inspection in the Public Reference Room.

**Transcontinental Gas Pipe Line Corporation; Notice of Proposed Changes in FERC Gas Tariff**

October 4, 1996.

Take notice that on October 1, 1996, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets, with a proposed effective date of November 1, 1996:

4th Revised First Sheet No. 171  
First Revised Sheet No. 439  
Second Revised Sheet No. 440

Transco states that the purpose of the instant filing is to modify Transco's Rate Schedule IT and the form of service agreement for service under Rate Schedule IT to remove the requirement that specific points of delivery be specified in executed service agreements, and to revise outdated references to Transco's bulletin board.

Transco states that it is serving copies of the instant filing to customers, State Commissions and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make
