**Tennessee Gas Pipeline Company; Notice of Request Under Blanket Authorization**

October 7, 1996.

Take notice that on October 2, 1996, Tennessee Gas Pipeline Company (Applicant), P.O. Box 2511, Houston, Texas 77252, Nebraska 68103 filed in Docket No. CP97-6-000 for approval under Section 157.205 and 157.212 to install a new delivery point for Vista Resources, Inc. (Vista), all as more fully described in the application which is on file with the Commission and open to public inspection.

The proposed location of the new delivery point is at Applicant's inactive receipt meter No. 1-1651-1, approximate M.P. 220-1+2.53, in Mercer County, Pennsylvania. Applicant proposes to reverse the existing 4-inch check valve; reverse, inspect and reactivate the 4-inch orifice meter, and install electronic gas measurement equipment (EGM). Applicant will continue to own and operate the side valve assembly, interconnect piping and meter. In addition, applicant proposes to install, own, operate and maintain the EGM. Applicant will operate the flow control equipment.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for

authorization pursuant to Section 7 of the Natural Gas Act.

**[Docket No. CP97-7-000]**

**Williams Natural Gas Company; Notice of Application**

October 7, 1996.

Take notice that on October 2, 1996, Williams Natural Gas Company (Williams), P.O. Box 3288, Tulsa, OK 74101, filed in Docket No. CP97-7-000 an application pursuant to Section 7(c) of the Natural Gas Act for authorization to construct and operate two new compressor stations, one located in Logan County, Colorado and the other located in Carbon County, Wyoming, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Williams states that the proposed compressor stations would be 3,950 horsepower each and would increase the capacity of the Rawlins-Hesston line by 30,000 Dth/d.

Williams states further that the estimated cost of construction would be approximately \$9.3 million and that Williams proposes a rolled-in rate treatment for the facilities.

Any person desiring to be heard or any person desiring to make any protest with reference to said application should on or before October 28, 1996, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is

filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Williams to appear or be represented at the hearing.

Lois D. Cashell,

*Secretary.*
