#### **FEDERAL COMMUNICATIONS COMMISSION**

#### **Network Reliability and Interoperability Council Meeting**

October 4, 1996.

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice of public meeting.

**SUMMARY:** In accordance with the Federal Advisory Committee Act, Public Law 92-463, as amended, this notice advises interested persons of a meeting of the Network Reliability and Interoperability Council ("Council") to be held at the Federal Communications Commission in Washington, D.C.

**DATES:** Thursday, October 31, 1996 at 1:30 p.m.

**ADDRESSES:** Federal Communications Commission, Room 856, 1919 M Street, N.W., Washington, D.C. 20554.

**FOR FURTHER INFORMATION CONTACT:** Jim Keegan, Federal Officer, at (202) 418-2323.

**SUPPLEMENTARY INFORMATION:** The Council was established by the Federal Communications Commission to bring together leaders of the telecommunications industry and telecommunications experts from consumer and other organizations to explore and recommend measures that will assure optimal reliability and interoperability of, and accessibility and interconnectivity to, the public telecommunications networks.

The agenda for the meeting is as follows: the Council will hear reports of focus groups 1 and 2 on their progress to date in addressing the issues assigned to them by the Council at the Council's last meeting. The Council also will hear a report on network reliability from the Network Reliability Steering Committee, and will be updated on the status of implementation of the Network Reliability Council's recommendations for interoperability testing. The Council may discuss other matters brought to its attention.

Members of the general public may attend the meeting. The Federal Communications Commission will attempt to accommodate as many people as possible. However, admittance will be limited to the seating
