Settlement Agreement and Order

1. The Brinkmann Corporation ("TBC"), a corporation, enters into this Settlement Agreement and Order with the staff ("the staff") of the Consumer Product Safety Commission ("The Commission") in accordance with the procedures set forth in section 1118.20 of the Commission's Procedure for Investigations, Inspections, and Inquiries under the Consumer Product Safety Act ("CPSA"), 16 C.F.R. § 1118. This agreement is a compromise resolution of the matter described herein, without a hearing or determination by the COMMISSION of any issues of law or fact or the issuance of any findings whatsoever.

I. The Parties

2. The Consumer Product Safety Commission is an independent federal regulatory agency responsible for the enforcement of the Consumer Product Safety Act, 15 U.S.C. 2051-2084.

3. TBC is a corporation organized and existing under the laws of the State of Texas. Its principal offices are located at 4215 McEwen Road, Dallas, TX 75244. TBC is a manufacturer of outdoor cooking and lighting equipment.

II. Staff Allegations

4. In the 15 years from 1979 to 1993, TBC manufactured and distributed over 100,000 cooker/fryers, over 100,000 electric smokers and over 1,000,000 charcoal water smokers. Those products were distributed to consumers throughout the United States for use outside a residence or in recreation. TBC, therefore, is a "manufacturer" of "consumer products" which are "distributed in commerce," as those terms are defined in sections 3(a) (4) and (11) of the CPSA, 15 U.S.C. §§ 2052(a) (4) and (11).
