

tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, revised tariff sheets to be effective November 1, 1996.

Honeoye states that the purpose of the filing is to substitute certain tariff sheets for those filed on September 20, 1996 at Docket No. RP96-386-000 to convert Honeoye's tariff and rates from a volumetric (MCF) to a thermal energy basis (MMBTU). Honeoye states that there will be no change in rates and revenues under the proposed revisions since both volumes and rates are being converted.

Honeoye requests waiver of the Commission's Regulations to the extent necessary to permit the tariff sheets to become effective November 1, 1996.

Honeoye states that copies of the filing are being mailed to Honeoye's jurisdictional customers and interested state regulatory agencies.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with the Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed as provided in Section 154.210 of Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**[Docket No. RP96-333-001]**

**National Fuel Gas Supply Corporation;  
Notice of Proposed Changes in FERC  
Gas Tariff**

October 16, 1996.

Take notice that on October 11, National Fuel Gas Supply Corporation (National Fuel) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets, to be effective February 6, 1997:

Substitute Seventh Revised Sheet No. 6A  
Substitute Second Revised Sheet No. 111  
Substitute First Revised Sheet No. 112  
Substitute First Revised Sheet No. 113  
Substitute Original Sheet No. 116C  
Substitute Original Sheet No. 289B

National Fuel states that the filing is a supplement to the filing made August 6, 1996, which included a proposed new Firm Advance Service (FAS) Rate Schedule, and is intended to address concerns raised at a technical conference held in this proceeding on September 27, 1996. National Fuel states that the tariff sheets included in the supplemental filing (1) clarify that the source of the gas to be advanced to FAS shippers would be the 7.2 MMDth of top gas inventory retained by National Fuel to provide transportation and storage services in the restructured environment, (2) limit the term of an FAS Service Agreement to a maximum of six months, which shall include not more than three months during the months of November through March, (3) revise the FAS Capacity Charge to conform to the Capacity Charge for Firm Storage (FSS) Service, and (4) clarify the applicability of the charge for delayed returns of advanced gas.

National states that it is serving copies of the filing with its firm customers and interested state commissions. Copies are also being served on all interruptible customers as of the date of the filing.

Any party desiring to comment on said filing should file comments with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, on or before October 31, 1996, in accordance with the following schedule agreed upon by the parties at the technical conference convened on September 27, 1996: initial comments are due on or before October 31, 1996, and reply comments on or before November 8, 1996. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
