SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994 (Title IV of the Improving America's Schools Act of 1994) (Pub. L. 103-382).

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress. The Board is responsible for selecting subject areas to be assessed, developing assessment objectives, identifying appropriate achievement goals for each grade and subject tested, and establishing standards and procedures for interstate and national comparisons.

On November 14, from 3:00-5:00 P.M., there will be open meetings of the Design and Methodology Committee and Subject Area Committee #2. The Design and Methodology Committee will discuss several policy areas related to the NAEP redesign including, but not limited to, changing sampling procedures to reduce the burden on states, policy options for states wishing to exercise flexible subject area or grade-level assessments, and options for international benchmarking with NAEP. Subject Area Committee #2 will meet to review the status of the 1997 arts probe and 1998 writing assessment, and to discuss NAEP redesign policy implementation issues. Also, on November 14, the Executive Committee will meet in partially closed session. During the open portion of the meeting, 5:00-6:00 p.m., the Committee will hear an update on the NAEP redesign and review the proposed schedule of assessments for the next eight to ten years. The Committee will then meet in closed session from 6:00-7:00 p.m. to review official government cost estimates for the 1997 RFP for NAEP programs. Public disclosure of this information would likely have an adverse financial affect on the NAEP program. The discussion of this information would be likely to significantly frustrate implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption (9)(B) of Section 552b(c) of Title 5 U.S.C.

On November 15, the full Board will convene in open session at 9:00 a.m. The agenda for this session of the full Board meeting includes approval of the agenda, the Executive Director's Report, and an update on the NAEP project. Between 10:00 a.m. and 12:00 noon
