

not intended to be excluded. Therefore, NMFS clarifies that fishermen who have not yet repaired or replaced their eligible gear or vessels may apply for the program. All estimated repair costs will be thoroughly verified by NMFS and assessed at the fair market value at the time that the loss or damage occurred.

The final program notice required all applications to be submitted no later than October 7, 1996. This notice hereby extends the application deadline through a date 30 days after the date of publication of this notice to allow enough time for applicants to consider these revisions and submit new or revised applications.

Classification

This program has been determined to be not significant for the purposes of E.O. 12866.

Applications under this program are subject to E.O. 12372, "Intergovernmental Review of Federal Programs."

This action is exempt from review under section 553 of the Administrative Procedure Act, since this notice only provides program clarifications and does not contain a general notice of proposed rulemaking. Concomitantly, no regulatory flexibility analysis under 5 U.S.C. 601 *et seq.* is required. This program contains a collection-of-information requirement subject to the Paperwork Reduction Act. The collection of this information has been approved by the Office of Management and Budget (OMB control number 0648-0082).

BILLING CODE 3510-22-F

[I.D. 092396A]

Gulf of Mexico Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of cancellation of a public meeting.

SUMMARY: The Gulf of Mexico Fishery Management Council (Council) has cancelled the public meeting of the Socioeconomic Assessment Panel that was scheduled for October 23-24, 1996.

The meeting was announced in the Federal Register on October 2, 1996.

FOR FURTHER INFORMATION CONTACT:

Antonio Lamberte, Economist; telephone: 813-228-2815.

SUPPLEMENTARY INFORMATION: The initial notice published on October 2, 1996 (61 FR 51435). This meeting was intended to review available social and economic data on the Gulf of Mexico red snapper, vermilion, and amberjack fisheries and to determine the social and economic implications of the levels of acceptable biological catch (ABC) recommended by the Council's Reef Fish Stock Assessment Panel (SAP). Cancellation of the meeting is due to the fact that the SAP was unable to recommend ABC levels for the species mentioned above.

The meeting will be rescheduled at a future date.

Dated: October 18, 1996.
