Description: The Department of Labor seeks to revise this information collection to implement the minimum transportation liability insurance requirement for migrant workers published as a final rule on May 16, 1996. The information collected on Forms WH-514 and WH-514a specifically identifies the vehicles for which authorization to transport migrant and seasonal agricultural workers is requested and notes the applicable safety standards met by each vehicle. The form is completed by the mechanic making the safety inspection of the vehicle. Without this information, it would be impossible for the Wage and Hour Division to verify that vehicles used to transport migrant and seasonal agricultural workers meet the safety standards required by the Migrant and Seasonal Agricultural Worker Protection Act.
